RE: Individuals Disqualified from EMSTF Funded Courses

At the beginning of fiscal year 2014 (FY14), language was added to the Emergency Medical Services Training Fund (EMSTF) contracts relative to Contractor Disqualifiers due to enforcement action within the past five years. Section IV. Special Terms and Conditions of the contract states:

**C. CONTRACTOR DISQUALIFICATION FOR EMSTF CONTRACTS:** *Neither the contractor submitting a request or EMSTF contract nor any subcontractor shall have had any enforcement actions occur within the last five (5) years. An enforcement action is defined in 12VAC5-31, EMS Regulations. The contractor and any subcontractors shall not be on the Vendor Debarment List maintained by the Commonwealth's Department of General Services.*

The following individuals are not eligible to participate in the instruction of EMSTF funded courses based upon the dates listed:
